Presidents Welcome Note

You know you're getting old when you say things like, "I remember back when ...," or "In my day..." I highly encourage you to come to Homecoming and see the Pride. I guarantee you'll say, "We never did that when I was in band." Every year Jay Rees tests the limits of what marching bands can do and, most importantly, he pushes each and every student to be the best he or she can.

One of the best parts about the Alumni Band is the interaction among alumni from different eras. When you're around the band, don't be afraid to say, "Hi!" They may not know what an E \flat horn is, but it's a great conversation-starter and a wonderful way to get to know your fellow club members.

Make sure you come on out for our 2nd annual Homecoming Reception. It's a great chance to catch up with old friends and meet some of our newest alumni.

I would like to express my gratitude to everyone who helps make the Alumni Band great. I have certainly enjoyed my time as president and I know that incoming president Michelle Stribling will continue to keep the Alumni Band focused on supporting the UA Bands.

Your Contribution Matters!!!

Do you know that the Alumni Band spent more than \$1300 directly on the band last year? That's more than 90 percent of the dues and donations we received. By providing water after each home game, snacks after the Rodeo Parade, and handing out Egees' at Band Camp, the Alumni Band supports the Pride of Arizona through your generous donations! In addition, the Alumni Band works after the game and hands out well-deserved burritos (courtesy of Chipotle) to all band members. Our efforts save the band department thousands of dollars each season, and the students really appreciate us.
